

## ***It's Homemade. It's Delicious. It's Family.***

**Our story began in 1981 with the man, the myth, the legend, my father, Philip "Jocko" Reitz. Born an entertainer and always a gas, he was an unforgettable, original, accept no substitutions, charismatic, tell it how it is, electrifying kind of guy. He founded this business in earnest to bring people together and entertain them with his unique persona.**

**Jocko's Ritz Diner has been an Oswego dining staple for over 35 years. With his spirit in mind, we strive to deliver delicious homemade food, served with a heaping portion of personality, every day. So eat, drink, and be merry!**
